Charges and Payment

Price, Feature and Rate Changes

We may change the prices or features associated with the Service from time to time, and such changes will be effective from the time they are posted or available through the Website. The terms and conditions of the Service, including the rates for calls made and/or available destinations in conjunction with the use of the Service are subject to change at any time without prior notice. All calls for the PAYGo ILD Service are billed in one minute increments. The PAYGo ILD Service expires 180 days after last use or 30 days after account suspension. There are no additional fees or surcharges associated with the Services. The Unlimited ILD Service is

provided solely for live dialogue between, and initiated by, two individuals for personal use and not for commercial use or resale. UNLIMITED DOES NOT MEAN UNREASONABLE USE. In addition, certain destinations may be limited to an advertised maximum number of minutes. To minimize unreasonable use, each Unlimited Account will be allowed to **call up to 10 unique destination numbers** per Unlimited cycle which expire 30 days after initial funding or last renewal. The number of personal use calls to these unique destination numbers is not limited and automatically resets when the Account is renewed. You may contact Customer Service at **(888) 226-2141** or visit the Website if You have any questions about the Service, including the international long distance rates or available destinations associated with the Service.

Suspending/Canceling the Service

If We have reason to believe that You or someone else is abusing the Service fraudulently or unlawfully through Your Account, or if Your form of payment for the Service is cancelled, disabled, discontinued or otherwise dishonored, We reserve the right to immediately suspend, restrict, deactivate or cancel the Service and close Your Account without advance notice. In the event of suspension or cancellation of the Service due to any other aforementioned reasons, Elite Telecom may from time to time discontinue offering the Service, or if necessary, cancel all Accounts, immediately upon a determination by any governmental authority that the provision of the Service is contrary to any law, rule or regulation or upon Your violation of this Consumer Agreement.

The Unlimited ILD Service may not be used for any other purposes, including, but not limited to, loaning or renting Your handset to third parties, conference calling, monitoring services, data transmissions, transmission of broadcasts, transmission of recorded material, interconnection to other networks, telemarketing, autodialed calls, other commercial uses, or other connections that do not consist of uninterrupted live dialogue between two individuals. If usage, dialing or calling patterns We deem connote non-personal use, We reserve the right to suspend, terminate or restrict Your Services with no prior notice and not allow You to reactivate the Service.

Elite Telecom and its Client are not responsible for any ancillary costs incurred by You, including but not limited to, cell phone provider charges or fees and/or penalties incurred by the Consumer in the event the Consumer uses the Service for any unlawful purpose.

All of Elite Telecom and Client trademarks, service marks, symbols, logos, other identifying indicia and the intellectual property rights thereto (collectively "Marks") are the property of Elite Telecom or its Client and You shall have no right in or to the Marks or any right to use the Marks including any and all Marks associated with the Service and the Website. You are not permitted to commercially resell the Service or to print, produce, sell or distribute anything containing the Marks or to sell or distribute any telecommunication products that use or are associated with the Service.

Limitations of Liability

This section describes Elite Telecom's or its authorized Clients responsibility for any claims for damages You may assert arising out of the failure of the Service or any other claims You may assert in connection with the Service, or in connection with the transfer of funds to Your Account or with this Agreement. We are not liable for any Service failures. Except as otherwise expressly provided herein, We and Our affiliates, authorized distributors, Clients, partners, directors, officers, members and employees are not liable to You or to any third party for any costs, liabilities or damages arising either directly or indirectly from any cause, action or claim relating to the Service, the Website and/or the telecommunication services underlying the Service, including without limitation any actual, incidental, consequential, exemplary, punitive, reliance or special damages, or for any claims for loss of revenue, lost profits, lost use, data, or goodwill or for lost business opportunities of any kind or nature whatsoever. These limitations apply even if the damages were foreseeable or We were told that they were possible, and these limitations apply whether the claim is based upon contract, tort, statute, fraud, misrepresentation, or any other legal or equitable theory. We will not be liable for any damages if the telecommunication services underlying the Service are interrupted, or if there is a problem with the interconnection of the Service with the service, products or equipment of some other party. This section will survive the expiration or termination of the Agreement. Because some jurisdictions do not permit the exclusions or limitation of incidental or consequential damages, Elite Telecom's liability in such jurisdictions shall be limited to the extent permitted by law.
